(a nonprofit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CRY - Child Rights and You America, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization Purpose - CRY - Child Rights and You America, Inc. (the Organization) was established in November 2002 as a Delaware Corporation, and is a not-for-profit organized under Section 501(c)(3) of the Internal Revenue Code. The mission of the Organization is to raise funds for and public awareness of the problems that face underprivileged children, with emphasis on children living in India.

<u>Basis of Accounting</u> - The Organization's policy is to prepare its financial statements on the accrual basis of accounting; consequently, certain revenues are recognized when earned rather than when cash is received and certain expenses are recognized when the obligation is incurred rather than when the cash is disbursed.

<u>Basis of Presentation</u> - The financial statements of the Organization have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 Not-for-Profit Entities dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the "Guide"). ASC 958-205 Not-for-Profit Entities "Presentation of Financial Statements" was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

<u>Net assets with donor restrictions</u>: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

At December 31, 2020 and 2019, there were no assets with donor restrictions.

<u>Estimates</u> - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

<u>Cash</u> - For the purposes of the statement of cash flows, the Organization considers checking accounts, saving accounts, money market instruments and all highly liquid debt instruments with an original maturity of three months or less to be cash and cash equivalents.

Concentration of credit risk - The Organization maintains bank accounts that are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 as of December 31, 2020 and 2019. The Organization may from time to time hold cash in one institution for more than \$250,000, but does not expect to incur any losses on these accounts and does not consider that a significant credit risk. At December 31, 2020 and 2019, the Organization had approximately \$827,749 and \$663,005, respectively, of its cash balance in excess of FDIC limits.

Accounts receivable - The Organization uses the specific write-off method for both book and tax purposes. Under this method, an allowance for doubtful accounts is not maintained, but accounts receivable are written off when they become uncollectible. Generally accepted accounting principles require an allowance for doubtful accounts receivable whenever it can be reasonably estimated and is a material amount. The effect of using the specific write-off method instead of the reserve method is not material to the financial statements taken as a whole.

<u>Fixed Assets</u> - Fixed assets are recorded at cost. When assets are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in income for the period. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized. Depreciation is provided for using straight-line and accelerated methods over the following estimated useful lives:

<u>Classification</u> <u>Life</u>

Equipment 5 years

<u>Income Taxes</u> - The Organization is a public charity exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Management believes that the Organization operates in a manner consistent with its tax-exempt status at both the federal and state levels. The Organization annually files IRS Form 990 – *Return of Organization Exempt from Income Tax* reporting various information that the IRS uses to monitor the activities of tax-exempt entities. These tax returns are subject to review of the taxing authorities, generally for three years after they were filed. The federal tax returns for years 2019, 2018, and 2017 remain open for review. The Organization currently has no tax examinations in progress.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

<u>Contributions</u> - All contributions (including pledges receivable) are considered available for unrestricted use, unless specifically restricted by the donor. Donations and membership dues received with donor program restrictions and/or time restrictions are recorded as net assets with restrictions. When a donor restriction expires, that is, when a stipulated time restriction applies or a purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without restrictions and reported in the statement of activities as net assets released from restrictions.

Marketing - The Organization expenses advertising costs as they are incurred. The total cost of advertising expenses incurred during the years ended December 31, 2020 and 2019 was \$0 and \$4,600, respectively.

<u>Functional Allocation of Expenses</u> - The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities and statement of functional expenses.

NOTE 2 - <u>LICENSING AGREEMENT WITH CHILD RELIEF AND YOU, INDIA</u>

The Organization has entered into an agreement, dated July 23, 2004, with Child Relief and You, India (CRY India), a public charity trust of India. The agreement allows the Organization to use the CRY India name, trademark and logo. This agreement also outlines services provided to the Organization by CRY India for the purpose of facilitating grants made to India-based projects. The Organization has also entered into an agreement with CRY India under which CRY India will provide grant management services for all grants made in India. During the years ended December 31, 2020 and 2019, the Organization made total grants to CRY India in the amount of \$698,247 and \$886,210, respectively. The loan and accrued interest, or a portion thereof, may be forgiven after a 24 week period as long as the loan proceeds are used for eligible purposes including payroll, benefits, rent, mortgage interest and utilities, and maintains its payroll levels, as defined by the PPP. At least 60% of the loan proceeds must be spent on payroll costs, as defined by the PPP for the loan forgiveness.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

PAYCHECK PROTECTION PROGRAM (CONTINUED) NOTE 5 -

The PPP loan matures two years from the date of first disbursement of proceeds to the Organization (the "PPP Loan Date") and accrues interest at a fixed rate of 1%. Payments are deferred for the first six months and payable in eighteen (18) equal consecutive monthly installments of principal and interest commencing upon expiration of the deferral period of the PPP Loan Date. The loan matures April 29, 2022.

Management believed the Organization used the proceeds for purposes consistent with the PPP loan guidelines and believed the requirements for forgiveness of the loan had been fully met. As a result, the Organization classified the loan as a current liability as of December 31, 2020, expecting that the entire loan amount would be forgiven and classified as income in the subsequent fiscal year. The Organization received confirmation that the loan had been forgiven in full in March 2021.
